Polo ponies pitch in for Karen

The Gardnertown Polo Club held its annual charity Polo Match Sunday, April 10 at Gardnertown Farms to benefit Friends of Karen.

Friends of Karen, a not-for-profit 501c(3) organization, works to ensure the financial and emotional well-being of families coping with extraordinary

demands of their child's life-threatening illness. Founded in 1978 by Sheila Peterson, Friends of Karen serves the tri-state metro New York area, supporting children and their families with compassionate care not normally offered in local hospitals

The game was played as a memorial to Peter Eric Huyler, who died of leukemia in 1994 at 2 years of age. Friends of Karen provided invaluable support to Peter and his family during his 18-month battle against childhood cancer.
